WHEREAS, an Annexation Agreement, between the City and Franklin D. Richards, Jr., Family Trust, pursuant to the Land Management Code, Section 15-8-5 (C), setting forth further terms and conditions of the Annexation and final subdivision plat, is herein attached.

SECTION 3. COMPLIANCE WITH STATE LAW, GENERAL PLAN, AND ANNEXATION POLICY PLAN. This annexation and the proposed zoning meets the standards for annexation set forth in Title 10, Chapter 2 of the Utah Code, the Park City

General Plan, and Park City Annexation Policy Plan - Land Management Code Chapter 8, Annexation.

SECTION 4. OFFICIAL PARK CITY ZONING MAP AMENDMENT. The Official Park City Zoning Map is hereby amended to include said PCMC Parcel in the ROS zoning district and the Richards Parcel in the SF zoning district, as shown in Exhibit F to the Annexation Agreement.

SECTION 5. FINDINGS OF FACT, CONCLUSIONS OF LAW, AND CONDITIONS OF APPROVAL.

Findings of Fact

1. On February 7, 2012, the applicants filed an annexation petition with the City Recorder for annexation of two parcels currently within the jurisdiction of Summit County and completely surrounded by properties within the Park City municipal boundaries.
2. The applicants are requesting annexation and zoning approval for two separately owned parcels. The Franklin D. Richards Jr. Family Trust ("Richards Parcel") is 13.75 acres and the requested zoning is Single Family (SF). The PCMC Parcel is 19.74 acres and the requested zoning is Recreation Open Space (ROS).
3. The property is located north of Payday Drive (north of the Thayne's Creek Ranch Subdivision), south of Aspen Springs Subdivision, east of Iron Canyon Subdivision, and west of Highway 224. The property is surrounded on all boundaries by Park City municipal boundaries and is considered an island of unincorporated land.
4. The applicants submitted an annexation plat for the two parcels, prepared by a licensed surveyor and additional annexation petition materials according to provisions of the City's Annexation Policy Plan and Utah State Code. A Preliminary Subdivision Plat (Exhibit C to the Annexation Agreement) and an existing conditions survey map were also submitted.
5. The Preliminary Subdivision Plat indicates four single family home lots in Phase I and three single family lots in Phase II, and Lot 8, the equestrian lot. The existing home, guest house and horse training facility are in Phase II and may remain unplatted until a final subdivision plat is submitted and approved by the City for that property. Barn pad locations are indicated for the equestrian lots.
6. The petition was accepted by the City Council on February 16, 2012 and certified by the City Recorder on March 1, 2012. Legal notice was published in the Park Record and the Public Website as required by State Code. Notice of certification was mailed to affected entities as required by the State Code. The protest period for acceptance of the petition ended on April 1st. No protests to the petition were filed.
7. The PCMC property is a dedicated open space parcel, subject to a March 24th, 2005, Deed of Conservation Easement in favor of the Summit Land Conservancy, in perpetuity. In 1999, the City purchased this 19.74 acre parcel through a purchase agreement with the Trust for Public Land from Frank Richards. A lease agreement is required for use of the PCMC Parcel by any person or entity other than by the City.
8. The PCMC Parcel is currently utilized for agricultural uses of grazing and growing of hay, as well as for undisturbed open space along streams, irrigation ditches, and wetlands. The City provides winter time grooming of a ski trail within the parcel, along Hwy 224. The land was originally part of the Franklin D. Richard,

- Jr. Family Trust. The PCMC property will remain as open space in perpetuity, subject to restrictions of the 2005 Deed of Conservation Easement (Exhibit D to the Annexation Agreement).
9. The property is located within the Park City Municipal Corporation Annexation Expansion Area boundary, as described in the adopted Annexation Policy Plan (Land Management Code (LMC) Chapter 8) and is contiguous with the current Park City Municipal Boundary along the south property lines with the Thayne's Creek Subdivision Annexation (June 2, 1989) and the Treasure Mountain Annexation (Thayne's Canyon Subdivision) (July 28, 1971). The property is contiguous with the City along the north property lines with the Peterson Property Annexation (February 22, 1993) and the Chamber Bureau Kiosk Annexation. . Along the west property line there is contiguity with the Smith Ranch Annexation (July 14, 1988) (aka Aspen Springs Subdivision) and the Iron Canyon Annexation (October 28, 1983). Along the east property lines there is contiguity with the McLeod Creek Annexation (May 7, 1979).
 10. The proposed annexation properties are the only non-annexed properties owned by these Petitioners in the surrounding area.
 11. Access to the Richards property is from Payday Drive at the existing driveway to the Richards farm. Access to the PCMC property is also from Payday Drive, just west of Hwy 224 at a stubbed in roadway. This access is used by ski grooming equipment and other municipal vehicles to maintain the property. No access is proposed directly off of Highway 224 with this annexation or for the subdivision.
 12. The property is subject to the Employee/Affordable Housing requirements of the Affordable Housing Guidelines and Standards Resolution 20-07. One Affordable Unit Equivalent equals 900 square feet. The affordable housing obligation is 15% of 6 new units or 0.9 AUE (810 sf). Affordable house shall be provided on-site according to requirements of the Housing Resolution 20-07, unless payment of fees in lieu is approved by the Park City Housing Authority. Addition requirements regarding affordable housing are spelled out in the Annexation Agreement. Fees in lieu are subject to the dollar amounts established by the Housing Authority and in effect at the time of submittal of building permits or as required by the Housing Authority.
 13. Land uses proposed in the Preliminary Subdivision Plat include a total of 7 single family lots and 1 common area lot (Lot 8 of the preliminary subdivision plat) for an existing riding arena. No density is assigned or permitted to be developed on Lot 8. Only one single family home and one barn are permitted to be constructed on the remaining lots. Lot 5 of the preliminary subdivision plat contains an existing single family house and a guest house that may remain and be used as a guest house. These uses are permitted.
 14. Per the Land Management Code, a maximum of 2 horses per acre of lot area are permitted on lots containing one acre or more, subject to an administrative conditional use permit and an animal management plan. The PCMC Parcel allows only uses permitted by the 2005 Deed of Conservation Easement (Exhibit D to the Annexation Agreement). Lots 3 and 4 may be combined into one lot of record, allowing a maximum of 2 horses on the combined lot, subject to the LMC Section 15-2.11-6 Maximum House Size and Setbacks on Combined Lots and any conditions of approval of a plat amendment to combine the lots prior to issuance of a building permit.
 15. The proposed land uses are consistent with the purpose statements of the SF and ROS zones respectively. The SF zone does not allow nightly rental uses and restricting this use is consistent with the character of the surrounding

neighborhood.

16. The Annexation Agreement and Preliminary Subdivision Plat limit the total number of lots to eight (8), including the equestrian lot, and the final plat would include a note indicating that no further subdivision of lots is allowed and no residential or commercial density is permitted on Lot 8. Barns are to be used for agricultural uses, horses, and related storage and not for human occupation.
17. Annexation of this parcel will not create an island, peninsula, or irregular city boundary. The annexation is a logical extension of the City Boundary.
18. Provision of municipal services for this property is more efficiently provided by Park City than by Summit County.
19. Areas of wetlands and irrigation ditches, and any required setbacks from these areas have been identified on the property.
20. The annexation is outside the City's Soils Ordinance District and there are no areas of steep slope that would indicate the property should be placed in the Sensitive Lands Overlay Zone. Wetlands and streams are protected by language in the LMC requiring minimum setbacks and protection during construction. The platting of specific building envelopes for houses and barns at the time of the final subdivision plat will further protect these sensitive areas from impacts of development.
21. The annexation petition has been reviewed pursuant to the Utah Code Annotated (UCA) Sections 10-2-401, 10-2-402 and 10-2-403. The annexation petition requirements set forth in these sections of the UCA have been met; including issues of 1) contiguity and municipal annexation expansion area, 2) boundaries drawn along existing local districts, special districts and other taxing entities, and 3) for the content of the petition.
22. The proposed annexation is consistent with the purpose statements of the Annexation Policy Plan and as conditioned will protect the general interests and character of the community; assure orderly growth and development of the Park City community in terms of utilities and public services; preserve open space and ensure environmental quality; protect a prominent entry corridor, view sheds and environmentally Sensitive Lands; enhance pedestrian connectivity, create buffer areas; and protect the general health, safety, and welfare of the public.
23. City Staff has reviewed the proposed annexation and preliminary plat against the general requirements established for annexation to Park City as presented in LMC Section 15-8-2 and as further described in the Analysis section of this report.
24. The property was posted, courtesy notices were mailed to surrounding property owners, and legal notice was published in the Park Record according to requirements for annexations in the LMC and State Code.

Conclusions of Law

1. The Annexation and Zoning Map amendment are consistent with the Annexation Policy Plan and the Park City General Plan.
2. Approval of the Annexation and Zoning Map amendment does not adversely affect the health, safety, and welfare of the citizens of Park City.

Conditions of Approval

1. The Official Zoning Map shall be amended to designate the PCMC property as Recreation Open Space (ROS) and the Richards Parcel as Single Family (SF).
2. The Annexation Agreement shall be fully executed and recorded at Summit County.

3. Petitioner and PCMC shall execute a Water Agreement (Exhibit E to the Annexation Agreement, to be recorded separately) providing for the transportation of water to the subdivision.
4. Recordation of a final subdivision plat, to create legal lots of record; dedicate utility, access, drainage, snow storage, and irrigation easements; identify platted building pads for houses and barns; identify limits of disturbance areas and driveway and hard surface areas; establish architectural guidelines for barns; establish fencing details; and to address other issues that are typically addressed at the time of the final subdivision plat, is a requirement prior to commencing of site work and issuance of building permits on the Property.
5. The final subdivision plat shall be in substantial compliance with the Preliminary Subdivision Plat (Exhibit C to the Annexation Agreement) submitted with the Annexation petition, as amended. The final subdivision plat shall include plat notes stating that the maximum density of the subdivision is seven (7) single family dwelling units and that no lot shall be further subdivided to increase the overall density of the subdivision. Barns shall not be used for human occupation. The existing guest house on Lot 5 may remain and is not separately saleable from the main dwelling. If the affordable housing unit is provided on site that unit is in addition to the maximum density of seven units.
6. All exterior lighting shall be reviewed with each building permit application for compliance with best lighting practices as recommended by the Dark Skies organization.
7. Fencing shall be consistent through-out the subdivision and described on the final subdivision plat and in the CCRs. A fencing plan shall be submitted with the final subdivision plat application and with each building permit application to allow Staff to review all fencing for consistency through-out the subdivision and to review impacts of fencing on wildlife movement through the site. The fencing plan shall include location of fences and materials, dimensions, and installation methods.
8. Construction of a five foot wide public side walk along Payday Drive connecting the existing sidewalk on the north side of the street with Iron Mountain Drive is required to provide connectivity to Rotary Park and shall be identified on the final subdivision plat. The sidewalk and all required public improvements, including landscaping of the public right-of-way along Payday Drive, shall be completed prior to issuance of a certificate of occupancy for any new house on the property.
9. A grading plan and landscape plan shall be submitted with each building permit application and this requirement shall be noted on the final subdivision plat. A landscaping plan for public right-of-way and any common areas shall be submitted with the final subdivision plat.
10. A note shall be included on the final subdivision plat requiring each new house in the development to meet LEED for Homes Silver Rating certification (at a minimum) with required water conservation requirements as further described in the Annexation Agreement.
11. Excavated materials shall remain on site to the greatest extent possible.
12. Use of the PCMC Parcel shall be addressed and regulated by a signed and executed Lease Agreement for Agricultural Use and Grazing for use by any person or entity other than the City. All use of the PCMC Parcel shall comply with the March 24, 2005 Deed of Conservation Easement by and between Park City Municipal Corporation and in favor of Summit Land Conservancy.
13. The application is subject to the City's Affordable Housing Resolution 20-07 and as further described in the Annexation Agreement. The affordable housing

obligation shall be provided on the property, unless otherwise approved by the Park City Housing Authority. If the affordable housing unit is provided within the subdivision, the unit will not count against the maximum allowed density.

- 14. A note shall be added to the final subdivision plat stating that the Planning Director may grant an administrative Conditional Use permit for the raising and grazing of horses on these lots, including a barn located within an identified building pad on the final subdivision plat, provided the application complies with the LMC requirements for raising and grazing of horses and providing an Animal Management Plan is submitted and approved. Barns may not be used for human occupation.
- 15. Access easements shall be provided on the final subdivision plat, along lot lines as necessary to facilitate utility service, irrigation, and access to the PCMC Parcel, for equestrian use and for maintenance of the parcel as allowed by the March 2005 Deed of Conservation Easement.
- 16. All conditions and restrictions of the Annexation Agreement shall continue to apply to the final subdivision plat.
- 17. The final subdivision plat shall dedicate a private access easement for the Ross-Gaebe Property to memorialize the existing private easement across the existing driveway and to extend this easement to the public ROW at Payday Drive.
- 18. Prior to recordation of a final subdivision plat a historic reconnaissance survey should be conducted by the applicant in conformance with the City's Historic Preservation Chapter 11 of the Land Management Code and a certification letter regarding any historic resources shall be submitted to the City. Any discovered historical or cultural resources will be added to the City's Historic Sites Inventory and designated as either "Significant" or "Landmark" according to the criteria as listed in LMC Chapter 11.
- 19. Ownership of water rights shall not affect the application of the Impact Fee Ordinance to the Property at the time of development of the lots.
- 20. A lot line adjustment application will be allowed to combine Lots 3 and 4 into one lot of record. The lot combination will be subject to the LMC Section 15-2.11-6 Maximum House Size and Setbacks on Combined Lots.

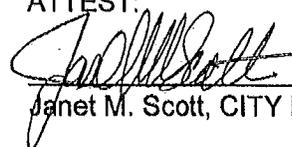

SECTION 6. EFFECTIVE DATE. This Ordinance shall take effect upon publication of this Ordinance, recordation of the Annexation Plat and Annexation Agreement, and in compliance with state annexation filing requirements, pursuant to the Utah Code Annotated Section 10-2-425.
