5.2 Changes in Membership.

- A. Other public agencies in Utah or outside of Utah may become parties to this Agreement by executing an Addendum hereto. The Addendum shall be reviewed and approved as to form and compatibility with the laws of the State of Utah, by the attorney for the public agencies to be added. Prior to an additional public agency being added as a Member, the Governing Board of the Coalition must approve the addition of such public entity, by a two thirds majority vote of the Boardmembers of the Governing Board present at an open and public meeting of such Board.
- B. Each Party to this Agreement acknowledges and agrees that the withdrawal of any Member from this Agreement shall not, of itself, adversely affect this Agreement nor such party's contractual relationship with the Coalition or with any other Member to this Agreement, or as related to a Project. Withdrawal of a Member does not relieve the Member's obligation to pay any contractual obligation that such Member may enter into with the Coalition, including its share of obligations, indebtedness, and liabilities incurred prior to withdrawal, if any.
- C. A Member may withdraw upon six months prior written notice if the Legislative Body of the Member gives written notice of its intent to withdraw from the Coalition and from the Governing Board of the Coalition. Such withdrawal shall take effect on the last day of the current fiscal year. Any such notice shall not affect the obligation of the Member to pay its financial obligations to the Coalition. A withdrawal may not materially adversely affect any project, enterprise, or bonds previously approved by the Governing Board of the Coalition. A Member who withdraws its membership shall have no further obligations to the Coalition and the Coalition shall have no further obligations to the withdrawn Member, except as otherwise expressly provided for in contracts, such as Supplemental Contracts, that may be entered into by the Coalition, or a Member, hereafter. The fact that a public agency has previously withdrawn its membership or its membership has been cancelled shall not prohibit said public agency from rejoining the Coalition.

5.3 Amendments to Agreement

This Agreement may be amended from time to time in any particular which does not jeopardize or adversely affect any existing contracts, notes, bonds or other evidence of indebtedness, provided that such amendment shall not subject any Member hereto to any dues, assessments or liability without its consent thereto. Proper amendments may be adopted by the

submission of the proposed amendment to the duly convened Governing Board for approval of the Board by resolution passed by the affirmative vote of at least five-Sixths of the Boardmembers present and voting and thereafter by submission to the Legislative Bodies of the Member counties hereto for written approval thereof by at least five-Sixths of the Members hereto. Such amendment shall become effective upon the execution by the party whose signing accomplishes approval by at least five-Sixths of the Members hereto; and the filing of the amendment with the keeper of public records of each of the Parties hereto, and proper noticing to the Lt. Governor's office. In addition to the foregoing types of amendment, Supplemental Contracts with respect to particular projects may be entered into with the approval of a simple majority of the Boardmembers. For Supplemental Contracts, approval by a simple majority of the Boardmembers of the Coalition Board is sufficient for the Coalition to participate in a Supplemental Contract and no authorization shall be necessary for Supplemental Contracts from the Legislative Bodies of Member counties, except for the participation of the Member counties in the Supplemental Contract.

#### 5.4 Governance of the Coalition.

- A. The Coalition shall be governed and controlled by a Governing Board, which shall consist of Six individuals, with each Member county selecting one elected public official from within the County to be its representative on the Governing Board. The limitation of a Boardmember's liability as provided in this paragraph is impermissible.

No Boardmember nor Member county to this Agreement shall be liable for any agreement, bond, note, indebtedness or other obligation incurred by the Coalition, nor liable for the indebtedness of any other Party to this Agreement, nor liable for any indebtedness or other obligation with respect to any project or activity of the Coalition, unless subsequently and otherwise agreed to by such Member county in writing, such as a Supplemental Contract.
- F. For Projects crossing county boundaries, or enterprises operating in multiple counties, or Projects and enterprises outside Member county boundaries, the Governing Board of the Coalition shall have authority to approve the acquisition, development, construction, ownership or control of such Projects by a majority vote of a simple majority of Boardmembers. Each Project shall be approved pursuant to a Supplemental Contract. For Projects that lie entirely within a single Member county, in addition to a majority vote of a simple majority of Boardmembers, the Coalition must also obtain approval from a majority of the Legislative Body of the subject Member county. In other words, for Projects that lie entirely within a single Member county, no Project may be pursued or undertaken without the approval of the Legislative Body of such Member county.

- J. The Governing Board shall comply with the Utah Open and Public Meetings Act and its records shall be maintained as required by the Utah Government Records Access Management Act.
- K. The Governing Board shall have an ongoing duty to see that all of its Members are informed regarding all activities of the Coalition and, accordingly, shall cause a copy of all Board proceedings to be delivered in the manner it deems appropriate to Boardmembers for meetings of the Board, including meeting agendas and minutes of past meetings, and to such other persons as the Member may request in writing,

including each Member's legal counsel.

- L. The Governing Board may employ an Executive Director and other appropriate staff to carry out the day-to-day operations and administrations of the Coalition. The Governing Board may retain professionals and consultants for various matters as deemed appropriate by the Board.

The County Clerk shall also cause a copy of this Resolution (together with all exhibits hereto) to be kept on file in San Juan County's principal offices for public examination during the regular business hours of San Juan County until at least 30 days from and after the last date of publication thereof. ### Re: Eligibility for Participation of a Newly Created Entity in the Utah State Retirement Systems

Dear Six County Infrastructure Coalition:

When a governmental entity is being incorporated or created, Utah law requires the Utah State Retirement Office ("Office") to provide a letter to that entity identifying the potential provisions under Utah Code Title 49, Utah State Retirement and Insurance Benefit Act ("Retirement Act"), with which it shall comply. *See* Utah Code Ann. § 67-1a-6.5(3)(d). This letter serves as the official notice for the Six County Infrastructure Coalition ("Coalition"), a newly created interlocal entity.

Based upon the information provided, the Office has determined that the Coalition is an "employer" under the Retirement Act as a political subdivision of the state by virtue of its status as an interlocal entity created under Utah Code Title 11. Accordingly, the Coalition must comply with the participation requirements of the Retirement Act.

This does not mean that the Coalition must provide retirement benefits to its employees. However, at the present time and throughout the future, the **Coalition is required by law to provide URS retirement benefits if and when it offers any type of retirement benefit to its employees.**

It may be the case that the Coalition does not currently have employees or has not yet elected to provide a retirement benefit to its employees. Please be aware, it is not the obligation of the Office to monitor the activities of the Coalition. **By law, it is the Coalition's obligation to apply for membership with URS if and when it chooses to provide a retirement benefit to its employees.**

Once the Coalition begins participation with URS, its public employees will be covered under either the Tier I or Tier II public employee retirement systems, as described in the Retirement Act. If the Coalition employs public safety or firefighter service employees, those employees will be covered under the separate Tier I or Tier II systems for public safety and/or firefighter service employees described in the Retirement Act.

In addition, Participating Employers of URS are required by section 49-11-606 to "cover all employees eligible for service credit under this title." As such, once admitted as a participating employer, the Coalition will be required to cover all eligible employees, pursuant to the eligibility rules found in the Retirement Act.

Please note that the above-referenced laws are those used to determine eligibility for participation and are not the only laws with which a participating employer must comply. Participating employers are required to "inform themselves of their rights and obligations" under Title 49 and should become familiar with all provisions of the Retirement Act. Once the Coalition is admitted into the System, URS provides education about the requirements with which the Coalition must comply as a participating employer.

Additionally, please be aware that should the Coalition fail to participate with URS while offering another retirement benefit to its employees, the Coalition's employees may have a claim against it for service credit under the Retirement Act, which the Office is required to enforce. Under the Retirement Act, such a claim would include all past employer contributions, interest, and in some cases, penalties. See Utah Code Ann. § 49-11-601(3).

Please do not hesitate to contact me if you have any questions.

Sincerely,
